There aren't many wedge shots that make the hands sweat quite like the one this week at No. 17. Many dreams of the very best came to an abrupt end at this famous par. It is an exciting hole, a dramatic hole. Majors test skill, patience and nerves. At times, they require luck. Since 2003, more than 550 shots have found the drink surrounding the island green. In Round 1 of the 2007 Players Championship alone, there were 50 balls in the water.

How many balls will be hit into the water on the notorious 17th during THE PLAYERS Championship in 2016?

BET & WIN: $ 5.00 for every bet (you can place more than one bet). The person, who is closest to the correct number, wins the pot! (In case of tie the pot will be shared)
